

THE BIG BAT HOUSE

BY WILDLIFE INTEGRATION

Durable, High-Quality
materials and
construction

Model WI-442M - 4'x4'x2' tall

It is modular in design, so other units can be purchased and added on, infinitely.

Discover the Big Bat House Opportunity:

- Provide safe roosting habitat for thousands of bats.
- Establish an amazing wildlife viewing opportunity every evening when the bats leave to feed.
- Promote the ecological role of bats and educate the public on their importance.

Discover the Big Bat House Advantage:

- Durable exterior grade materials used throughout the house.
- Easily shipped and installed at your facility.
